Cable and Fiber Optic Lineman Wanted

Becoming a Cable and Fiber Optic Lineman can be a very rewarding career for those who love the outdoors and the satisfaction of seeing the job done. Good communication skills, time management skills and a positive can-do attitude help get the job done.

Job Description:

- Pulling fiber and cable lines from pole to pole
- Pulling lasher to secure aerial telecommunications lines
- Safely operate equipment and vehicles
- Mount equipment on houses and poles
- Ability to climb telephone and power poles up to 30 ft
- Safely operate saws to trim branches away from lines
- Troubleshoot cable wiring and cable plant levels

We offer:

- Full-time work
- Paid training and long-term career
- Direct deposit weekly
- 7 Paid holidays a year
- Paid time off
- 401K (optional enrollment and 3% company match)
- Employee discount if you live in service area
- Ongoing instruction to keep you up to speed on new technology

Pay: \$133 per day to start* depending on experience
Monday – Friday (8:00AM – 5:00PM *9-hour day=paid breaks and lunch)
Overtime is time and half. Note: New hires have frequent performance evaluations making wage increasement fast and easy for great workers.
